

The Texas Education Agency (TEA) proposes new §103.1231, concerning reporting of bus collisions. The proposed new section would relocate existing requirements from 19 TAC §61.1028. The new section would include an update to remove the requirement related to the color of a multifunction school activity bus to align with statute.

BACKGROUND INFORMATION AND JUSTIFICATION: Proposed new §103.1231 would move existing language from 19 TAC §61.1028, which requires school districts and open-enrollment charter schools to report bus collisions.

(C) the type of bus, as specified in subsection (a) of this section, involved in each collision;
