### Documentation Requested

Documenting overall compliance for a program requirement may require several forms of documentation to be maintained locally and available upon request by TEA and/or an auditor. To ensure overall compliance with program requirements, LEAs should refer to the Program Guide and/or other program-related resources that reference the multiple forms of documentation required to be maintained locally. The documentation requested for submission during the validation process may not include all forms of documentation required to be maintained locally.

- c. When compiling the PDF file for submission, please ensure that—
  - x the pages are not compressed or reduced in size;
  - x any landscape pages are oriented with their right-hand edge at the top;
  - x the documentation pages included are **numbered consecutively in the lower right corner**. These page numbers, which may be handwritten if that is most convenient, should be referenced
