Program Description PS3013 - Program Plan

D. TEA Program Assurances Regarding Education and Training Supports (must be included in MOUs)

1. The following assurances apply to this program. In order to meet the requirements of the program, the applicant must comply with these assurances. Selecting all assurances is required.

- a. The LEA assures that all LEA high schools participate in a TEA-led virtual workshop in Summer 2024. All Education and Training teacher stipend recipients, principals, counselors, and LEA grant managers must attend. Participants who attended any previous Grow Your Own Summer Institutes must still attend.
- b. The LEA assures that each Education and Training teacher stipend recipient will pilot the TEA Education and Training curriculum. If they are using a dual credit or different high-quality curriculum, the LEA must provide the corresponding scope and sequence(s) and/or evidence of course offerings.
- c. The LEA assures that each Education and Training teacher stipend recipient will receive TEA implementation supports and coaching by participating in online collaborative communities to be scheduled by TEA, not to exceed 6 hours per semester.

2024-2026 Grow Your Own High School Education and Training

Program Description PS3014 - Program Narrative

E. Budget Narrative

1. Describe how the proposed budget will meet the needs and goals of the program, including for staffing, supplies and materials, contracts, travel, etc. If applicable, include a high-level snapshot of funds currently allocated to similar programs. Include a short narrative describing how adjustments will be made in the future to meet needs. This question has been broken into two sections. Please enter "NA" for the second section if the additional space is not needed. Outline the proposed budget and amounts for funding the grant program through the following allowable uses: a. Education and Training stipend(s) disbursed over the two-year grant timeline and no earlier than Fall 2024 b. Education and Training field site teacher stipend(s) disbursed within the first, second, or both years of the grant timeline (specify accordingly) and no earlier than Fall 2024

Our goal is to provide a two-year stipend for our current education and training teacher to compensate for additional time and effort spent to promote teaching as a career to our students and provide them with hands on experiences and CTSO conferences that will spark an increased interest in the field of education. Field site teacher stipends will be equally divided over a two-year period to encourage site teacher participation in the program for hands on student experiences. These expenditures will be adjusted based on student to site teacher need ratio. CTSO conference travel expenses include membership fees, registration fees and allowable meals, CTSO conferences will provide enrichment opportunities for students to explore the career of teaching and learn leadership roles. Adjustments to the program and budget will be reviewed regularly as follow-up feedback from participants is received and opportunities for improvement are identified. The current allocated funds total approximately \$69,000 for our education and training program including CTSO allocations.

2. c. Implementation costs, limited to: i. Student transportation to and from E&T field sites for Instructional Practices and/or Practicum courses ii. CTSO event/conference participation, membership fees, and travel costs iii. Substitute coverage for teachers to participate in implementation supports and CTSO activities d. Additional funding for high schools: i. Without existing E&T courses in the 2023-2024 school year, or ii. Implementing dual credit E&T courses beginning in the 2024-2025 school year

The education and training program has been a pathway choice for many years in our district, and a proven dedication to growing future teachers.
