Emergent bilingual (EB) students are required to take the State of Texas Assessments of Academic Readiness (STAAR) English I assessment at least once when completing an English I or English for Speakers of Other Languages I course. If an EB student passes the course but does not meet the passing standard on the STAAR English I assessment, the student may opt to retake the assessment or enact the special provision allowed under Texas Administrative Code (TAC) §101.1007.					
The special provision permits an EB student who meets the eligibility criteria to not retake the STAAR English I assessment if the student passes the corresponding course but does not meet the passing standard on the assessment.
