(c-2) The commissioner by rule shall determine a method by which a student's performance may be included in determining the

performance rating of a school district or campus under Section 39.054 if, before the student graduates, the student:

(g) In defining the required state standard for the dropout rate indicator described by Subsection (c)(4)(A)(i) and (B)(ii)(a), the commissioner may not consider as a dropout a student whose failure to attend school results from:

- (1) the student's expulsion under Section 37.007; and
- (2) as applicable:

(A) adjudication as having engaged in delinquent conduct or conduct indicating a need for supervision, as defined by Section 51.03, Family Code; or

(g-1) In computing dropout and completion rates under Subsections (c)(4)(A)(i) and (B)(ii)(a), the commissioner shall exclude:

(1) students who are ordered by a court to attend a high school equivalency certificate program but who have not yet earned a high school equivalency certificate;

(3) students in attendance who are not in membership for purposes of average daily attendance;

(6) students who are incarcerated in state jails and federal penitentiaries as adults and as persons certified to stand trial as adults.

(applies beginning with the 2015–16 school year)

---

(g-2) In computing completion rates under Subsection (c)(2), the commissioner shall exclude students who:

(1) are at least 18 years of age as of September 1 of the school year as reported for the fall semester Public Education Information Management System (PEIMS) submission and have satisfied the credit requirements for high school graduation;

(2) have not completed their individualized education program under 19 T.A.C. Section 89.1070(b)(2) and the Individuals with Disabilities Education Act (20 U.S.C. Section 1400 et seq.); and

(3) are enrolled and receiving individualized education program services.

(b)

(a-1) For purposes of assigning an overall performance rating under Subsection (a), the commissioner shall attribute:

(1) 55 percent of the performance evaluation to the achievement indicators for the first, second, and third domains under Sections 39.053(c)(1)-(3);

(2) for middle and junior high school and elementary campuses and districts that include only those campuses, 35 percent of the performance evaluation to the applicable achievement indicators for the fourth domain under Section 39.053(c)(4);

(3) for high school campuses and districts that include those campuses:

(A) 10 percent of the performance evaluation to the high school graduation rate achievement indicator described by Section 39.053(c)(4)(A)(ii); and

(B) 25 percent to the remaining applicable achievement indicators for the fourth domain under Section 39.053(c)(4); and

(4) 10 percent of the performance evaluation to the locally selected and evaluated achievement indicators provided for under the fifth domain under Section 39.053(c)(5).

(a-2) The commissioner by rule shall adopt procedures to ensure that a repeated performance rating of D or F or unacceptable in one domain, particularly performance that is not significantly improving, is reflected in the overall performance rating of a district or campus and is not compensated for by a performance rating of A, B, or C in another domain.

(a-3) Not later than August 15 of each year, the performance ratings of each district and campus shall be made publicly available as provided by rules adopted under this section. If a district or campus received an overall or domain performance rating of D or F for the preceding school year, the commissioner shall notify the district of a subsequent such designation on or before June 15.

(2) that meets the eligibility requirements for and is registered under alternative education accountability procedures adopted by the commissioner.

(b) Notwithstanding Section 39.053(c)(4)(A)(i), the commissioner shall use the alternative completion rate under this subsection to determine the dropout rate indicator under Section 39.053(c)(4)(A)(i) for a dropout recovery school. The alternative completion rate shall be the ratio of the total number of students who graduate, continue attending school into the next academic year, or receive a high school equivalency certificate to the total number of students in the longitudinal cohort of students.

(c) Notwithstanding Section 39.053(c)(4)(A)(i), in determining the performance rating under Section 39.054 of a dropout recovery school, the commissioner shall include any student described by Section 39.053(g-1) who graduates or receives a high school equivalency certificate.
