Date:

I am a candidate in an educator preparation program that is implementing the edTPA, a performance assessment for prospective teachers.<sup>1</sup> Successful completion of this assessment is a requirement of my educator preparation program and for certification.

The edTPA documents a series of lessons I teach in your child’s classroom and includes short video recordings. While the videos will focus on my instruction, your child may appear on the recordings. The videotaped lesson will be used for me to reflect on my teaching practice as part of the edTPA. Additionally, I may submit samples of student work as evidence of my teaching practice, and that work may include some of your child’s work. These materials will be viewed only under secure, password-protected conditions, never posted on publicly accessible websites, and will never reveal identities of children, schools, or districts.

The materials submitted as part of edTPA will not be made public in any way. Materials I submit may also be used by Pearson under secure conditions for edTPA program development and implementation, including scorer training. This form will be used to document permission for your child’s participation. If you choose not to give permission, your child will still participate in the classroom instruction as usual and will be seated out of camera range.
